Competency

What are the levels of competency for this job?

Competency description	Level	Competency Assessment Level 1 - 3
<p>1) Cultural</p> <p>A strong awareness of one's own culture, namely the iwi and hapu of Hauraki. Developing cultural competence results in an ability to understand, communicate with, and effectively interact with people across all cultures about the Maori culture and in particular the Hauraki Maori vision.</p>	<ul style="list-style-type: none"> - Level 1: Has a basic understanding of the iwi and hapu of Hauraki. - Level 2 – Has a good understanding of the iwi and hapu of Hauraki and is comfortable in communicating culture practices and vision to others. - Level 3 – is a role model for others with a high level understanding of cultural practices in order to teach others about the iwi and hapu of Hauraki Maori. 	2
<p>2) Working with Others</p> <p>The ability and desire to work with others in order to produce results that is greater than the sum of one's individual efforts. Implies awareness and sensitivity to others, a commitment to sharing resources, information and knowledge for the good of the wider group.</p>	<ul style="list-style-type: none"> - Level 1: Co-operation with other team members and external people is frequently required. Knowledge must be passed onto other team members immediately. - Level 2: is required to collectively and constructively work with others and disseminate information concerning the immediate group. - Level 3 – is a role model to others in terms of team work and cooperation inside the Board, and actively works to protect and promote the reputation externally. The role takes the lead in maintaining and developing teams. 	2
<p>3) Outcomes Focused</p> <p>Implies a commitment to success of the Board and the desire to set personally challenging, yet achievable goals.</p>	<ul style="list-style-type: none"> - Level 1: Achieves goals set with guidance by the supervisor, manager or organisation. - Level 2: Achieves the outcomes expected without reminding and demonstrates a genuine commitment to persevere when obstacles emerge. Frequently shows initiative and willingness to take on extra responsibility and 'make a difference'. - Level 3: Exhibits total commitment to achieving business outcomes and key performance goals despite obstacles. Will be called on to push others to achieve outcomes. 	2
<p>4) Continuous growth and improvement</p> <p>Implies the ability and willingness to try new and different methods to improve performance and grow the business. It suggests a willingness to question and challenge the way things are done and an awareness that there may be more than one correct answer.</p>	<ul style="list-style-type: none"> - Level 1: Can identify improvements needed based on 'gut feel', customer feedback, education or a low level of past experience. - Level 2: Is required to demonstrate the ability and willingness to make improvements that are sustainable and consistent with the Board's overall direction. Has a track record of making positive change and has a measurable impact on their immediate area of work. - Level 3: Is a role model in terms of driving through positive change and the delivery of improvements which will enhance the Board's reputation. Is widely acknowledged as a 'big picture' thinker. 	1 - 2
<p>5) Professionalism/ Taking responsibility</p> <p>Refers to the willingness to present oneself, the team and the wider organisation in positive terms to the very</p>	<ul style="list-style-type: none"> - Level 1 – Demonstrated the key elements of quality practice. Works carefully and perseveres and conducts oneself openly and honestly. - Level 2 – Takes the initiative to reflect on practice and works towards goals. Will deliver on promises and represents the organisation 	2

<p>best of one's ability. Models a high standard of work, continually reflecting on own practice and seeking to improve.</p> <p>Motivated to achieve what is expected</p>	<p>positively when dealing with internal and external people. Will strive to conduct self openly, honestly and consistently with any professional standards.</p> <ul style="list-style-type: none"> – Level 3 – Provides professional leadership and resilience. Takes a lead role in ensuring professional standards are maintained within the organisation. Maintains two-way, open communication with everyone. 	
<p>6) Sector Knowledge</p> <p>Understanding of sector, including how emerging trends might affect individuals, families and groups now and in the future.</p>	<ul style="list-style-type: none"> – Level 1: Requires minimal knowledge of sector, how it functions and how it impacts on immediate area of concern. – Level 2: Requires a good understanding of the sector, its make up, families, and role. A sound understanding of how market forces might affect the immediate future is desirable. – Level 3: Working at a wider sector level, this role requires a superior understanding of sector with the ability to recognise (and address) the reason for underlying trends, opportunities or political forces affecting the organisation. 	2
<p>7) Analytical skills</p> <p>The ability to break a problem down into smaller pieces, to organise the parts of a problem in a sequential, systematic way and make meaningful comparisons between data.</p>	<ul style="list-style-type: none"> – Level 1: Requires the ability to recognise common relationships and identify the immediate problems or possibilities in a situation. – Level 2: Must demonstrate the ability to think logically through a problem and breakdown an issue into a step-by-step, sequential process. Should be able to explain the rationale behind any decision they have made and anticipate any obstacles in their way. Good questioning skills. – Level 3: Requires superior logical reasoning skills and the ability to deal with complex, inter-related issues which have wide ranging implications. A superior ability to draw out the information needed when evaluating a project or issue. 	3
<p>8) Customer Services orientation</p> <p>An underlying commitment to accomplish a task (no matter how small) to a high standard and with a concern for all areas involved. Includes concern to monitor and check work output.</p>	<ul style="list-style-type: none"> – Level 1: Monitor own work quality as well as those of the organisation – Level 2: Commitment to checking quality work of others to ensure procedures are followed. – Level 3: Takes a lead role in establishing customer service and quality enhancements to improve the service provided to the organisation 	2
<p>9) Organisation and Time Management</p> <p>Requires a commitment to organise work efficiently and effectively to meet deadlines. It implies the ability to work faster, smarter and prioritise, plan and delegate when required.</p>	<ul style="list-style-type: none"> – Level 1 – Recognises important tasks and will take steps to ensure work is done accordingly. – Level 2 – Aptitude for planning and effective time management and have established the systems to support multiple task completion. Deadlines are met according to time priority. – Level 3 – An expert with regards to organisational planning and time management. It demands proven ability to manage a complex range of activities of different priority and urgency. Supports/organises others - people and resources 	2
<p>10) Leadership</p> <p>Implies a desire to lead others to take action in order to deliver business goals. It is about generating excitement, enthusiasm and commitment from the group and creating an environment in which everyone has a shared sense of where they are going. May not be a formal position held.</p>	<ul style="list-style-type: none"> – Level 1: Leadership is demonstrated by keeping others informed about relevant and useful information. Tends more to implement the goals and directives set by others. – Level 2: Must demonstrate effective leadership and be able to identify new business opportunities and set a credible example. Works for others to move forward. – Level 3: A genuine charisma as a leader and a track record of making things happen. Focus is on communicating the vision, and doing things in such a way that generates commitment from others. 	2
